28 Org. SAX

36 SAX

43 Org. SAX

48 SAX

Alternative ending from bar 53 is below

Sound the harmonic. Although (because of the saxophone's range) it is not possible to simulate precisely Schoenberg's *Klangfarbenmelodie* technique (in "Farben" of "Funf Orchesterstucke"), the saxophonist should try to make the harmonic "grow out of" the tone quality of the organ's bass clef tied quaver.

53 **Org.** **SAX** *p*

53 Ped. note Tierce

60 Ped. Tierce Org. Carillon Tierce

65 **ritardando** Carillon (Org. until end of bar)

Alternative ending from bar 53

53 **Org.** **SAX** *p*

53 Ped. note Tierce

60 Tierce **SAX**

65 **ritardando**
